

## NO KILLING FOR HOMOSEXUALS IN ISLAM

Homosexuality act ( either between lesbian women or between homosexual men) is an **obscenity** in Judaism , Christianity & Islam & other religions . Sheikh Muhammad Abduh (1849-1905) Head of Islamic verdict body in Egypt & most Islamic countries in his time talked about this issue saying :

Homosexual full intercourse sexual act if fully proven & witnessed to be fully done in public is punishable to death in Bible & Torah but **NOT in Quran** which ordered that lesbians muslim women who brazenly & fully perpetrate this sex act in public are to be confined to homes until they die or get married or quit this reprehensible habit with the help of God or GOD makes a way out for them & that homosexual muslim men who commit this full sex act in public to be harassed by any punishment or corrective action deemed just & adequate to help them repent & correct themselves & **NO killing** at all or any other capital punishment to them

ALLAH says in Quran

### Q4;15-16

????????????? ?????????? ?????????????? ??? ?????????????? ??????????????????  
????????????????? ?????????????? ?????????? ? ?????? ?????????? ??????????????????????  
??? ?????????????? ?????????? ?????????????????????? ?????????????? ?????? ?????????????? ??????????  
????????? ?????????????????? ?????????????????????? ?????????????????????? ?????????? ??????????????????  
? ?????? ?????????? ?????????????????? ?????????????????????? ?????????????????? ? ??????

**translation** " And those women who commit sexual obscenity between them - bring against them four [witnesses] from among you. And if they testify, confine those women to houses until death takes them or Allah ordains for them [another] way. And the two men who commit it among you, harm/harass them both. But if they repent and correct themselves, leave them alone. Indeed, Allah is ever Accepting of repentance and Merciful"

The first verse is about **lesbians** (homosexuality among women) and the second verse is about sodomy (male homosexuality ) The proof that the first verse is about female homosexuality is that ALLAH has used the female plural pronoun (Al lati) denoting female plural & the female pronoun (Alaihon) which also denotes female plural . The second verse relates to male homosexuality & the proof is that ALLAH has used the male pair pronoun (Al lazan)

**ALLAH has stipulated four witnesses to testify that they have seen & witnessed the full sexual act before any punishment is implemented** & this is to protect people honors & to assure that the obscenity has been done. Also note that **this judgment & punishment relates only to muslim women** not to non muslims who are not forced to abide by muslim sharia laws

And the wisdom of holding the **lesbians** is that lesbians loath & hate men affection or

intimacy & these lesbians who commit the full homosexual act in public can influence other women & spoil family life of other women & spread this obscenity thus causing a negative impact on birth because lesbians usually do not marry & do not have children & to avoid this social harm they are **sentenced to be confined to homes until they die or get married or quit this reprehensible habit with the help of God or GOD makes a way out to them**

Also Male homosexuality punishment as per Quran is also only applicable when the full homosexual act is done & witnessed by four witnesses in public & **there is no killing for this act** & Islam did not determine a specific punishment on that but the punishment is to be any punishment deemed just & adequate to help straighten them & prevent them from repeating this act & behavior . Quran states in 4;16

“???????????????? ????????????????? ????????? ?????????????? ? ?????? ????????? ?????????????? ????????????????? ?????????????? ? ?????? ?????????? ?????????????? ?????????????? ??????????????”

translation is “And the two men who commit it among you, harm/harass them both. But if they repent and correct themselves, leave them alone. Indeed, Allah is ever Accepting of repentance and Merciful”——

ALLAH has also greatly condemned sodomy in other Quran verse where HE stated

Quran 7;81

????????? ?????? ?????? ?????????????? ?????????????? ?????????????????? ??? ?????????? ?????? ?????? ?????? ?????????????????? ?????? ?????????????? ?????????????? ?????????????? ?????? ?????? ?????????????? ? ?????? ?????????? ?????????? ??????????????????

translation “And [We had sent] Lot when he said to his people, “Do you commit such obscenity as no one has preceded you with from among the worlds? Indeed, you approach men with desire, instead of women. Rather, you are a transgressing people.”
