Translation “And [mention] when We said to the angels, “Prostrate to Adam,” and they prostrated, except for Iblees. He was of the jinn and departed from the command of his Lord.”—— This states that Satan is from the Jinn , thus having the choice right to obey or disobey . The angels have no free choice , they are created only on obedience , they can only obey ALLAH , thus the Jinn or Human who has the choice right but chooses to obey ALLAH is actually higher in rank than the angels , where Iblees was bragging that he is more obedient to ALLAH than the angels & he was there when ALLAH commanded the angels to prostrate , thus he should have succumbed to ALLAH , however his free choice drove him to depart from ALLAH command due to his arrogance whereby he said Q17;61
