The Sheikh cited the opinion of Imam Ghazali regarding the peoples situation categorization towards prophet Muhammad message which can be categorized as follows;

1.Those who were not at all informed about the message of Islam & these are definitely NOT punished for their disbelief in compliance with Quran 17;15

“translation “And never would We punish until We sent a messenger.”—

2.Those who were informed but in a wrong or marred or incomplete way that is not sufficient to let the listener consider it seriously & those fall under the first category of NOT punishable

3. Those who were properly & duly & correctly informed but refused to listen or consider either due to their intransigence or arrogance or negligence & those are the blameworthy ones who will be punished & only Allah will decide if they really received his message in a fully proper & convincing way but they arrogantly refuted it or not & the trial will be by the most just the most merciful & no one will be oppressed or misjudged
