

# HOW COME ALL GOD RELIGIONS ARE ISLAM?

Sheikh “Muhammad Abduh” (1849-1905) Head of the Islamic verdict body (mufti) in Egypt & most Islamic countries in his time wrote on this matter saying:

Islamic Religion & Prophet & Messenger Muhammad has come when there were many different religion sects , only few of them were on the righteous side & these different sects were cursing & slurring & accusing each other & every sect is claiming that it is on the right side .

Islam denied this & decisively stated that **ALLAH/GOD religion is one in all times & by all prophets.” Islam” in Arabic means submission (also including peace) , submitting to ALLAH/GOD regardless of different legislation enacted to different Prophets at different times & places to suit the environment therein .** See Quran verses about this issue

translation "

Say, [O believers], "We have believed in Allah and what has been revealed to us and what has been revealed to Abraham and Ishmael and Isaac and Jacob and the Descendants and what was given to Moses and Jesus and what was given to the prophets from their Lord. We make no distinction between any of them, and we are Muslims [in submission] to Him."

The Book has stated that ALLAH religions in all times is his oneness & the submission to him & obedience to ALLAH & this is the people happiness in their life & afterlife as stated in his books & conveyed by his messengers & this is all what the religion is about & the conflict & debate in religion is a deviation from religion & about the different worshipping rituals between different religions , then the reason for that is the mercy & clemency of ALLAH in giving each nation & time what is convenient & relevant to their time
